INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. App. No. 42074

June 3, 1908.

Annie Cleamont,
607 Patton St.,
Knoxville, Tenn.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

If you claim any Indian descent through your mother, why has she not made application to participate in this fund?

Was your mother or any of your ancestors ever held as a slave? If so, by whom were they owned?

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Appln. No. 42074.

Fannie Cleament, being duly sworn, deposes
and says:

Ashby My name is Fannie Cleament. I am 25 years old. I was born in Marion, Illinois. I claim through both sides. My mother is living at Greenville, Tenn. Her name is Allie Shelton. She did not know anything about filing claims until it was too late. Her name before marriage was Allie ~~Ashby~~. She is 53 years old. She has been married three ~~times~~ years. My father's name was Levi Malone. He is dead. He claimed Indian blood. His parents were Dunk Malone and Nancy Malone. Dunk Malone was the Indian. He looked as though he might be half Indian. He was born in Green Co., Tenn. He was Cherokee. I have heard my Aunt, Polly Ann Wynns, talk about it being Cherokee blood. My mother claimed through her mother's father. Her mother's name was Mary Ashby. Before marriage Mary Eades. She was born in Sullivan Co. Tenn. She was about ~~100 years~~ 80 years old when she died in 1884. I think she was about 3/4's. My grandmother Eades was Cherokee, so she told me. I don't know that my mother, my father or either of their parents ever drew any money as Indians. James Eades was my great-grandfather on my mother's side. He was about half. We have all been recognized as white people.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. JUN 22 1908
No. 42876

Hon. Special Commissioner of
the Court of Claims, Eastern Cherokee
Enrollment,
Washington, D.C.

Dear Sir:

In reference to application
No. 42076 and replying to your inquiry
of June 10th, 1908.

I am unable to state why my grand parents
were never enrolled, if they were not en-
rolled, but my ^{mother} informed me that my
grand parents died when she was a child
and that they lived in North Carolina; and
that her mother's maiden name was Eubanks
who, as I am informed was a Cherokee In-
dian of the half blood.

If my mother was not enrolled I presume
it was because she came to Muscogee in
her childhood and was illiterate and poor,
not knowing the importance of enrollment,
or that there was any provision for such
procedure.

If my ancestors were slaves my mother
never informed me of such fact.

I claim my right to share in this fund
through my mother whose maiden name was
Minerva Roark who was a descendant of
a half blood Indian woman whose maiden
was Eubanks whose Christian name I can
not give at this time.

The ancestor through whom I claim, that
is my grand mother, died prior to 1835.

My reasons for making this claim are that
I have always known that I am a descendant
of the Eastern Cherokees and gained this

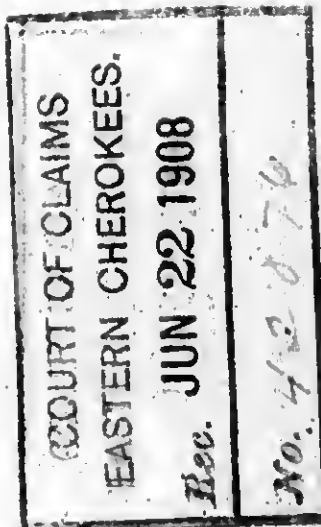

information from my mother who was
recognized in the community in which
she lived ~~of~~ as a descendant of the
Cherokees and I have been so recognized
all of my life.

My name is Asa W. Whidley. I live at Buford, Ga. I claim Indian blood through my mother and her mother. My mother died in 1896, and was 60 odd years old when she died. My grandmother was born and raised in S. C. My mother and grandmother moved from near Greenville, S. C. in 1835 or near that time. My mother and her mother were recognized as half-breed Indians. They lived with the white people. I never heard of them living with the Indian tribe. I never heard of my mother or grandmother getting any money or land from the Govt. on account of their Indian blood. In 1882 my mother was living in Gwinnett Co., Ga. and I was living about the same place. I don't know why we were not enrolled with the Cherokees at that time. As the Indians moved out my mother and grandmother came to this country. I don't know why they came here. I don't know the name of the Indian ancestor that I get my Indian blood from.

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Why has not the parent through whom you claim Indian descent made application to participate in this fund? Will you kindly furnish us with your parents' present address?

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

My name is Mary Trotter. My age is 38 years. I was born in Maryville, Blount Co., Tenn. I claim Indian blood through my mother. Her name is Mary Love. Before marriage Mary Howell. My mother is living in Sevier Co. under the name of Mary Love. I am the only member of the family who has filed an application. My mother is 64, and I cannot say where she was born. She claims through her father. His name is Duke Howell. He was also known as Dukus. I never knew my grandfather. He died when my mother was small. He was a full-blood. I do not know where he was born. My mother told me about my Indian blood. She is half-Indian of the Cherokee tribe. She taught us that ever since a child. My mother never drew any money, but they had some land that was taken away from them in Knox Co., south of the river. It was sold when she was a baby and she did not get anything out of it. She got that land through her father. I do not know how he got that land. My mother and I pass as white people. ~~My~~ I cannot say where she was living in 1851. She lives at Sevierville. My father's name is Preston. He is living with my mother. She has not filed because she left it to my father to attend to.

That I am 53 years of age and live in Knox Co., Tenn. I claim Indian through my father and grandfather. My mother was a white woman. No, my mother was part Indian. Don't know how much. I have been married twice. Ed Frazier was my first husband; he was a white man. I have a son by the name of Jos. L. Frazier who has filed application #41548. My present husband is white. My parents were born and raised in Cherokee Co., N. C. My mother was born in Habersham Co., N. C. Don't know where my father's parents were born and raised. My grandfather Raper was 1/2 Indian, Cherokee. He was living in Cherokee Co., N. C. in 1835, and he was dead in 1851. Polly Raper was nearly 1/2 Indian. She was living in N. C. Don't know what part. She was never on any roll. I think Polly Raper died before 1851, but am not sure. My father had an uncle by the name of Larkin Raper who with his family was taken to the Nation about the time of the Civil War. The government tried to get us to go too but we wouldn't. That was in Monroe Co., Tenn. I remember them taking the people but I can't tell much about it for I was little. I was living with my mother in Monroe Co., Tenn. They were taking all that had Indian blood in them. My mother didn't want to go; my father was in the War and she didn't want to leave home. Thomas Raper died about four years ago. He was living in N. C. in 1851, Cherokee Co. My other uncles were living there too at that time. None of them were on any rolls that I know of. None of my relatives on either side were on any roll. None of them ever received any money. They offered to give us a free transportation and a home in the Ter. at the time they were taking those people. They talked like they were going to take us go, but we didn't. Don't know why my parents were never enrolled. My parents never lived with the Indians that I know of but my grandfather Raper did. Don't know where he lived amongst them, but he lived with them as a member of the tribe. My uncle, Thomas Raper's name was Thomas Perry Raper. My uncle William Raper was dead in 1851. Had an uncle John Raper and he was dead in 1851. My Aunt Mary Raper was living in Cherokee Co., N. C. in 1851. My mother was living in Murray Co., Ga. in 1851. Don't know when she left N. C. It was about 1844 and then she went to Ga. My grandmother Sarah Timmons never lived in the Ter. She was part Indian. She died about 1831. My mother has made application under the name of Mary Ann Raper. She was sometimes known as Polly Ann. My mother lives at 621 Vine St., Knoxville, Tenn. My mother is about 106 years old now.

No. 42080

June 3, 1908.

Sallie Pate,
40 McDaniel St.,
Atlanta, Ga.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your mother and those of your other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your father? Were any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

FDR/LJC

Miso.

Appl. #42080

Sallie Pate being first duly sworn, deposes and says:--
My name is Sallie Pate. I live 710 East Fair Street, Atlanta, Ga. I was born in 1859 in Murray Co., Ga. I claim Cherokee Indian blood through my mother and her mother. My mother's name was Louisa Mansfield before she was married. She married a Williams. His name was Henry Clay Williams. My mother's mother was named Jane Edwards, she married a Mansfield. My mother died in about 1882, and was 42 years old when she died. She was born in Murray Co., Ga. My grandmother I think was born in N. C. My mother and her mother lived part of the time with the Indians. My mother talked about the Indians, but I cannot remember what she said. They tried to drive my grandmother, Jane Edwards, away, but she got sick and died before she went. It seems like I remember something about mother speaking about some of my ancestors being enrolled with the Cherokees. I don't know whether they ever got any money or land from the Government on account of their Indian blood. Jane Edwards had a brother named , I cannot recollect the name. I think some of the Mansfields were driven out west. Jim and Tom Mansfield. In 1882 I was living in Murray Co., Ga. I heard of an enrollment at that time. I don't know why I was not enrolled at that time.

Special Commissioner of the Court of Claims,
Eastern Cherokee Enrollment,

Dear Sir:

Yours of April 28, received
today, and contents noted.

Pertaining to my application for
Eastern Cherokee Claim 42103 -

30261. My great-grandfather, Paul
Knee came from England to America,
during the Colonial days,
and married a full Indian, of
Cherokee descent, in North Caroli-
na. They came with the Indians
to Tennessee, and settled in
Warren Co. He did not like
the Indians very much. Therefore
he did not go with the tribe.

He always tried to keep it a secret from his children, that they were related to the Indians. If his name was not enrolled.

That must have been the reason, he did not want any one know they were part Indian.

My grand father was their oldest child. He was like his father, and kept the secret of his nationality from his children, as much as possible. He was very careful to never mention to his children that they were related to the Cherokee, though, his mother told some of them; that she was part Cherokee. My mother was her oldest grand daughter, and she told me, all about it. My great-grand mother Rebecca Frankner from whom I get my Indian

3

(Her maiden name was)
Rebecca Buckhalter

blood, looked as though she
she might have been almost a
full blood Cherokee, some
of her children showed the
~~Indian~~ more than others.

I am satisfied this is a just
claim, if I did not think so.
I never would ask for it.
I don't know wheather any
of my ancestors were slaves
or not, if so, I never heard
of it, If they were, and my
grand father knew; I havent
the least idea he would ever
tell it to his children.

I have seen my grand fathers
brothers, they showed the Cherokee,
I heard one of them say he
was entitled to a claim in the
Indian Territory, and he said
that he had a motion to

apply for it, and believe he
could get it, I don't know whether
he established his claim or not.
That was about 40 years ago.

My mother shows the Indian
therefore I'm satisfied my claim
is just.

Respectfully,
Mrs Annie Farmer.

Madam:-

With reference to your application #33843 for participation in the Eastern Cherokee Fund, I beg to state that I am unable to identify any of the parties mentioned therein, on either the roll of 1835 or that of 1851. If you claim any of your ancestors were on either of said rolls, give the names by which they were enrolled. If not enrolled, state the reason why.

Where were George and Narcissa Vann living in 1851, and did either of them ever receive any Old Settler money? If so, state when and where. Were they married in 1851?

Kindly furnish us with the names of your grandparents on the side through which you claim, together with those of their children. Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Were you or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your father? Were you or either of your parents or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Reply promptly referring to application #42110 with #42108.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were your parents or any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Through which of your parents do you claim your Indian descent?

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

App. No. 42125

June 3, 1908.

J. C. Starr, Esq.,
Vinita, Okla.

Sir:-

In reference to application #42125 made by you for Webster Riley, I beg to state that the same is too incompletely made out for us to identify his ancestors on either the roll of 1835 or that of 1851.

Will you kindly give us the full Indian and English names of this boy's parents, together with those of his grandparents and uncles and aunts on both sides. If either his mother or father has made application to participate in this fund, will you furnish us with their application numbers, if possible. If you cannot do that, give us their present address. If this boy has been enrolled by the Dawes Commission, give the number of his enrollment and indicate on what roll his name appears.

Have you yet learned the whereabouts of this boy? Did his parents or grandparents ever participate in any Old Settler payment?

Thanking you in advance for an early reply, I am,

Very respectfully,

Special Commissioner.

Sir:

Replying to your letter of June 3rd 1908 concerning application No 42125 of Webster Riley for enrollment as an Eastern Cherokee beg to say that Webster Riley is a full blood Cherokee Indian that his mother is dead and his grand father and grand mother on his mothers side are all dead. His grand father in his life time went by the name of Chucornunter and my recollection is that it is probably spelled Chucornutti on the 1880 authenticated roll of Cherokees. His people lived near Kansas Oklahoma during their life time and they were all full blood Indians and I am unable to ascertain about the money heretofore drawn by the grand parents of Webster Riley on his mothers side.

Webster Riley is an illegitimate child his mother was never married

and Jack Riley of Pryor Creek Oklahoma who is also a Cherokee is the father of said Webster Riley. He tried to get Webster when he was a small boy to take him and raise him.

I inclose a ~~letter~~ certificate from the Commissioner to the Five Civilized Tribes which please file and consider with this case.

I will make inquiry and get up the information as to the grand parents of Webster Riley on his mothers side and furnish to you. They being full bloods it is hard for me to tell by what name they were enrolled on the 1835 or 1851 rolls.

Rev Father William H. Ketcham, 1326 New York Ave, knows considerable of Webster Riley and can perhaps give you some information as to him.

During the past winter a man by the name of Carter who knew Webster Riley at Grove, Oklahoma wrote a letter to my brother in law saying that he had found Webster Riley, firing a Santa Fe engine on a run between Kansas City Mo and Garden City Kansas but I wrote a letter to Garden City but have been unable to locate him but will continue my efforts.

Yours truly,

J. C. Starr

Her name was Susan Coker after marriage. She died eight years ago. She was half or more Indian. She never received any money as an Indian. She left Tennessee when I was two years old. She moved to Ohio. She was an Indian on her father's side. My mother was never held as a slave. My mother did not speak Indian. She always told me she had Cherokee Indian blood. I think my mother had brothers and sisters but they all lived in Tennessee and I never saw them. She had a brother William Harris. My claim of Indian descent is

Neither my parents nor ancestors

I never heard my mother speak of
where she lived with the tribe,
nor how long, although I have
heard her speak of how some
of the less civilized Indians

Long Beach, Calif.

Madam:-

In reference to the application you have filed in this office on behalf of minor to participate in the Eastern Cherokee Fund, I beg to state that the names of none of its ancestors given in the application appear on the roll of 1835 or that of 1851. Kindly state why its ancestors living at those times do not appear on these rolls.

Was this minor's father or any of its ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Dear Sir

In reference to your
letter of June 3. You ask why
none of the minor ancestors
were on the roll of 1835? and
say that Cheah-Go-Chee a
full-blooded Eastern Cherokee
was left with a sister alone
in the world. He was adopt-
ed by a "Quaker" family.
They not knowing of the
r. & c. He married a Creole.
Ann Hubbard was her daughter.

She was also a Cherokee Indian.
The said Anna Hubbard was
born on the Cherokee Indian
reservation 1747 A.D. and died
in Person County N. Carolina
1829 A.D. Her daughter Anna
Moore, the minor's grandmother
was born in Mecklenburg Virginia
Nov 15 1781 and died in Wayne Co.
Indiana March 3^d 1855 - The
above paper states all this and
many other points. This paper
is signed before a Notary
by a man and a woman who
knew the Cress family.
Neither the minor's father
or any of its ancestors were
held as slaves so far as
known.

The said Phoebe Go-chu-
Cress woman died in the
Eastern Cherokee nation.

I do not know whether and
the Morris ancestors took
part in the tribal councils.

Please let me know if there
is any further information
you wish and I kindly give
you any which I have.

Since writing you my

Dear Sir:

There is a Carrie L. Brown No. 7713 on whose account
a number of applications have been rejected as claiming through
the same source. Your index also shows Carrie L. Brown
No. 42150, whom you reject as being a sister of No. 7713.
As the two bear the same name, it must be a mistake to denote
her as a sister or there is a mistake in the applicant's name.

STATE OF TEXAS

COUNTY OF MIDLAND

To the Hon. Secretary of Interior,

Washington, D. C.

Dear Sir:

*daughter of Bartlett Jones
and Amanda Leaning*
Mrs. Minnie Lenore Crosssett, nee Hendrix, formerly of
Gilford County, N. C., but now of Crane County, Texas, having
first been duly sworn, deposes and says that she is the lineal
descendant of Mary Sanders, a Cherokee Indian, by the following
line of descendants, to wit:

The grandmother of applicant before marriage, was named
Henah Jones, who married David Hendrix, and said Grandmother
was the daughter of Hezikiah Jones and Martha Jones, and said
Martha Jones was the daughter of David Brooks and Sarah Brooks,
and said Sarah Brooks was the daughter of Joel and Mary Sanders
and Mary Sanders was a Cherokee Indian, whose full history is
disclosed by records and affidavits of your office, which are
hereby referred to and made a part of this application.

Applicant hereby makes application for her part of
the money due her under and by virtue of the laws of the United
States, relating to and governing the affairs of the Cherokee
Indians, particularly by virtue of her relation to Mary
Sanders, as disclosed by this affidavit and the other
affidavits on file with you as before stated, or the one at
Washington, D. C. Having charge of the distribution of the
funds due said Cherokee Indians, and their legal heirs and
descendants.

Applicant states that she has but recently heard
of her right to certain monies due her by virtue of her
relationship as herein disclosed and that forthwith she
telegraphed your Honor, requesting that proper blanks and
applications be sent her in order to make legal application,
as required by law and by the proper officer in charge of said
affidavits, but that on account of the strike of the

telegraph operators being now on she has not been able to receive a reply to said communication, and has not received any blank applications in due form to be used in her behalf in this matter, but she here now makes this affidavit and application, as best she is able under all the circumstances and asks that this be filed in your office, or in the proper office, for the consideration thereof at Washington, and that it be used as a basis for a claim to some portion of money to which she is entitled by virtue of her relation to said Cherokee Indians.

Applicant further avers that she is willing to comply with any ruling of your honorable office with reference to furnishing any further information required, or making further application, by any proper form furnished her for said purpose, and that she is willing in any manner to comply with the ruling and requirements of your honorable office, governing the distribution of said funds, and that if in fact this application is in any manner defective; ~~and~~ it is for the reason herein stated, that she has been unable to secure proper blanks and information necessary since she first learned that she was entitled to a portion of the funds by virtue of her relation as hereinbefore set out to Mary Sanders.

My name is Mildred S. Fisher, and I live at Voca, Tex. I am 68 years old. I was born in Ark. Crawford County. I claim my Indian blood through my mother, Mary Fisher. She died about 21 years ago at the age of 86. She died in Tex. My mother was born in Ill. My great grandfather, my mother's grandfather, was a Cherokee Indian Chief, and lived in Ga. I do not know in what part. Neither do I know where he died. He had ~~an~~ a son James Fisher, who was my grandfather. He lived in Ga. until he was grown, when he went to Ill. and lived there until he died in 1825. I am very sure of this. I know this because my mother said her son was 2 years old when her father died. He (my brother) being born in 1823. My mother, who was the daughter of James Fisher, was born in Ill. My grandfather never got any money ~~for~~ from the Government that I know of. Nor do I know to what extent he was recognized as an Indian.

My husband, George Fisher, is my cousin and claims through the same line of descent that I do. His father and my mother were brother and sister. James Fisher is our common grandfather.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name and those of your ancestors through whom you claim Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Where were you and your parents living in 1835?

Were you or either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

In reference to application #42168 made in your behalf, for participation in the Eastern Cherokee Fund, please state why the names of your parents and other ancestors through whom you claim Cherokee descent do not appear on the Cherokee rolls of 1835 and 1851.

Through which of your parents do you claim your Indian descent? Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim your right to share in this fund, and state where that ancestor resided in 1835 and 1851. Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

The applicant James Owens makes answer to above questions
I cannot answer why, why my self, my Parents or my Grand
Parents were never enrolled.

O. W.

2nd None of my Grand Parents were Slaves.
3rd my Father's Name was Gabriel Owens. His Father (my grand
Father) was named James Owens whose Father name I do not
know. but have always understood from my Parents and
others that he was a full blood Cherokee Indian and it is
through my relation to him that I make claim.
My Mother's Side her Father Sandy Francis was
a full blood Cherokee Indian. I have seen him often
and he was and never passed for anything but Indian.
So I claim both through my father and mother. My Mother's
Name before she married my Father was Lumpy Powell.
My Grand Father on my Father's Side James Owens lived
in Henderson N.C. in the years 1836 and 51.
I have always understood that my ancestors who were Cherokees
refused to leave N.C. at the time the other Indians were
driven or left in consequence of said treaty. They at
the time were living among white families and had
thereby become civilized. All of my Cherokee ancestors are
now dead. They lived and died in N.C. principally in
Halifax, McDowell and Henderson Counties N.C.
I have no family records. don't think there is such
in existence. if there is it is among some of my
people in N.C. I have made my home here at Newcomb
Laurel for the past 25 years. Therefore I know little of
my relation in N.C. don't know whether they have applied
for participation in the fund or not.
I have answered your questions the best I can from
my knowledge and information.

Samuel A. Shrader being first duly sworn, deposes and says:

My name is Samuel A. Shrader. I live at Bisgah, Ala. I was born in 1853 in Jackson County, Ala. I have been told that I have Cherokee Indian blood in me through my mother's side. My mother's name is America Shrader. Her maiden name was Shoffett. My mother died in 1862, and was about 40 years old when she died. I expect she was born in Tenn. I don't know but I don't know. I claim through my mother's mother. Her name was Peggie Cagle before she was married. She was raised in Powell Valley, East Tenn. As far as I know my mother and her mother were recognized as white people. I never heard of them living with the Indians. I never heard of them getting any money or land from the Government, or being enrolled with the Cherokees.

I also claim for my children through their mother. Her maiden name was Mary C. Cathie. She did not know which side she got her Indian blood. She didn't know what kind of Indian blood it was.
